JANUARY 2020 LAUNCH

CASELIO

Edito

Et si cette année, on ne misait que sur l'essentiel ?
On oublie quelques instants la monotone routine
et l'extravagant superflu.

On revient aux sources et on fait de la place dans nos vies
(et surtout dans notre déco) à l'authenticité, à la nature
et à l'humain.

Nos bonnes vieilles résolutions n'ont qu'à bien se tenir.

*And what if this year, we only went for the essentials?
Let's forget for a moment the monotonous routine
and superfluous extravagance.*

*Let's return to our roots and make room in our lives
(and especially in our decor) for authenticity, nature
and something more human.*

And our good old resolutions had better watch out.
